From you pastor . . .

Mentioned in my column for last Sunday, a Diocesan-wide capital campaign called “**Inspired by the Spirit,**” will be carried out in our parish beginning in August and concluding on November 18, 2022. The campaign has been conducted in 20 parishes of our diocese, (termed pilot parishes) since this past March and this first phase will be concluded in July.

The campaign is being conducted by Lynch Development Associated, Inc. (LDA), who was chosen by Bishop William Callahan. In 2021, LDA conducted interviews (by phone/zoom) with numerous parishioners and priests of the Diocese seeking to determine the feasibility of a capital campaign in the Diocese of La Crosse. LDA reported to Bishop Callahan that while concerns were mentioned, the over-all response was positive, particularly when people were asked if they would support such a campaign with a contribution and/or pledge (over five years). From those interviews several questions were raised that LDA has responded to with written answers that I will share beginning in this (and in future) columns. By reading through these questions-and-answers, you should have a relatively good understanding of the nature of the campaign and how it will be conducted in our parish.

In last week’s bulletin, it was stated that the campaign amount to be returned to our parish (65%) will be used for the restoration of the nave of Saint Mary’s church (where the pews and aisles are located.) The original tile from when the church building was constructed in 1954 is still in use. The tile was constructed of asbestos and needs to be replaced. We wish to replace the tile in the nave with a beautiful marble tile to compliment the sanctuary. In 2020, at the very beginning of the COVID concerns, the carpet was taken up in the sanctuary as well as the tile underneath the carpeting. That tile was also manufactured with asbestos and has now been replaced. In completing the nave project, all asbestos should be gone from all buildings on our parish campus.

How does this Campaign benefit my parish?

“In 2019, the Diocese celebrated 150 years of faith, service, Catholic education, and ministry. Today, as we look forward to the next 150 years, we are called to prepare our Churches, Schools, Vocations and Ministry programs for the future. The **Inspired by the Spirit** Campaign invites parishioners to invest in their parishes, schools and ministry programs while caring for our Diocesan vocation programs, senior priests, and Diocesan Center.

This campaign is an opportunity for every parish to examine their own local needs and apply the 65% parish share to meet those needs. If the local need is greater than the parish share, there are provisions for this as well. At the same time, this Campaign is an opportunity for the faithful to invest in the future of their Diocesan church. Much like the responsible manner in which our parishioners care for their families’ present and future needs, so too, we must prepare for our parish faith family as well.

In addition, very practically speaking, for the standard and stretch campaigns, the parish is able to conduct this effort with the Diocese paying for the campaign materials and counsel costs (barring any special requests).”

In future columns, more questions and answers concerning the campaign will be published as well as any updates regarding the timeline of the campaign.

Until I write again, may God bless you and all the parishioners of Saint Mary’s Parish.
