From your pastor . . .

I have written this column before my leaving for vacation this past Monday. Father Apfelbeck from the chancery office in La Crosse is filling in for me this weekend. If there is an emergency need for a priest during the week, please call the rectory and a priest will be called. If you have a concern that is not an emergency and can wait until I return, I hope that you will do so.

At this time all the parishioners who were not involved in the personal interviews and the receptions for the **Inspired by the Spirit** campaign should have been contacted by mail. A large white envelope with 'Saint Mary of the Assumption Parish' as the return address should have arrived with the following contents: 1) a printed memorandum from me that provides an introduction to the campaign as well as a brief explanation of the 'asked amount,' 2) a large brochure of six pages that describes the entire workings of the campaign, 3) a prayer card on which is printed the campaign prayer, 4) a pledge card that can be filled out and returned in 5) an addressed envelope.

There are two case statements that are presented in the brochure. The first is that of the Diocese and the second is that of our parish church. In my next column I wish to explain the extent of the renovation in the nave (the places where the pews and aisles are located) as well as the dates this work will proceed and be completed (providing we have a successful capital campaign).

The 35% of the total campaign goal of \$40,000,000 that the Diocese will use for its needs is enumerated in the brochure. This includes the Diocesan annual appeal of \$6.4 million. While there is not a separate Diocesan Annual Appeal (D.A.A.) this year (so there are not two campaigns being conducted at the same time), the D.A.A. has (as it does every year) assigned each parish a particular amount based on a formula that is used with all the parishes. The amount that was assigned to our parish this year is \$34,905. (Last year the amount assigned to us through the formula was \$33,855). Because the Diocese is dependent on this income to run its day-to-day ministries (such as the chancery office where Fr. Apfelbeck works), this amount is to be turned in first to the Diocese before any of the 65% is returned to the parish. In other words, the first \$33,855 that is given to the campaign in actual gifts (cash) rather than in a pledge is passed on to the diocese. Once the amount assigned to a parish (for Saint Mary's - \$34,805) has been given to the diocese satisfying the Annual Appeal amount, the remainder of the campaign gifts and pledges that come through the **Inspired by the Spirit** campaign are divided between the diocese and the parish but at a different percentage than was initially announced. With our diocesan annual appeal paid, the split becomes 20% for the Diocese and 80% for the parish.

I am happy to announce that the donations and pledges that have come forth thus far from Saint Mary Parishioners has satisfied the \$34,805 that was assigned to us this year in the DAA. This means that whatever amount you give and/or pledge through the **Inspired by the Spirit** campaign from now on is returned at an 80% distribution to our parish.

I realize this may be somewhat complicated. It becomes complicated because there are two different campaigns, one that is actively happening and one that has been suspended this year. However, the suspended one is "reaching" into the amount being raised by the active one and taking from it what it usually gets each year. However, in the end our parish gets 'credit' for paying this amount with its first cash donations in that now until the end of the **Inspired by the Spirit** campaign, instead of receiving 65% we receive 80% of what is given by the parishioners of our parish.

In my next column, which I will again write before I leave for my vacation, I will focus on our parish case statement and the renovations to our parish church. Please take the time to read the brochure that has arrived in your home and respond generously. Thank you.

Until I write again, may God bless you and all the parishioners of Saint Mary's Parish.
